The strategies will (mark all that apply)

- Provide opportunities for all children, including subgroups of students, to meet the challenging Missouri Learning Standards.

Description of how strategy/strategies will provide

Kelso C-7 will implement a school wide program that helps to support the Missouri Learning Standards by using local assessments to identify and address areas of weakness. Educators will receive training in assessments and using data, research-based instructional strategies, and addressing needs of different demographic populations.

- Use methods and instructional strategies that strengthen the academic program in the school.

Description of how strategy/strategies will strengthen

Educators will establish and work towards goals selected at implementing specific research-based strategies in the classroom. These strategies will address areas of weakness identified by standardized data and/or an under-performing demographic subgroup.

- Increase the amount of learning time

- Extended school year
- Before-and/or after-school programs
- Summer program

Other

Help provide an enriched and accelerated curriculum

Description of how strategy will provide

The district will focus on using data to help quickly identify the areas of strengths and weakness. This will help educators prioritize time and resources to areas of weakness.  
Extra support will be given to classrooms to support all levels of learning by utilizing the Title I educator within the classroom.

Professional development activities that address the prioritized needs

Describe activities

The district will focus on using data to help quickly identify the areas of strengths and weakness. This will help educators prioritize time and resources to areas of weakness. Educators will receive training on how to implement the local assessment and utilize the data.

Educators will also receive training on research-based instructional strategies that support the identified areas of weakness.

**Recruiting and retaining effective teachers, particularly in high need subjects**

Describe activities

The district utilizes multiple forms of communicating openings to recruit highly qualified individuals.

The district uses regional surveys to ensure competitive salary and benefits are in place to retain employees.

**Assisting preschool children in the transition from early childhood education programs to local elementary school programs**

Describe activities

Kelso C-7 has a 3 and 4 year old preschool program within the district. It also works to communicate and reach other families that are not in the district program through communicate based communication and district social media. Open house events are also hosted to help families assimilate in the Kelso C-7 School family.
