5/14	Kindergarten Graduation
5/19	Play Day

Announcements:

Opportunities to Join Our Team: [Interested candidate can click here for the applications on the district website!](#) If you have further questions, please call the main office for Dr. Kim Burger. I will be glad to help answer any questions!

- ☞ Custodian: The district is currently accepting applications for a full time custodian. Pay is based on experience with opportunity for benefits (retirement, health insurance).
- ☞ Sub teachers, cooks, custodians - we always need subs. ☺ Please fill out the noncertified application to return to the office. Employment will be on as needed basis for both the school and candidate. Right now the state of Missouri is offering substitute training for candidates that do not have the typical 60 hours of college work. Kelso C-7 is willing to reimburse substitute candidates of any expenses.
- ☞ After School Care: The district is currently accepting positions for a part-time after school care supervisor. This person is responsible for supervising and record keeping for the after school care program. Hours are 3:15-6:00 pm. Number of days is flexible to be combined with the current after school care supervisor.

Employment candidates must be able to pass a background screening, be flexible, and work well with others. Again, if there are any further questions, please feel free to call the office. We are glad to help and excited to meet our new team members!

WELCOME to the Falcon Family! We are excited to announce that Miss Victoria Roussin will be joining our team for the 2021-22 school year as the Special Education Teacher! The name may be familiar, she has been helping throughout the building in our kindergarten classroom and as a substitute teacher. We cannot be more excited for her and our district to have her on board!

COVID Update: If you are like most, we are ready for a sense of normalcy. It is starting to feel a bit more and more similar to what we called normal. Taking the recommendation of state officials and Nurse Rongey, our Board of Education took action this week to loosen the COVID restrictions. Effectively immediately, students will no longer be required to wear masks during outdoor activities (outdoor PE, Recess, etc.). This is a HUGE relief as we enter the notorious Missouri heat. Temperature checks will no longer be required at the entrance of buses and the district. The mask requirement indoors (including classroom) and social distancing is still in place. It's small steps, but its positive steps.

Proposition Kids Bond Referendum:

THANK YOU!! Our district is beyond grateful and blessed by each of you who voted in favor of our district and community's growth! We are also very grateful to our campaign committee who volunteered so many hours to share information about Prop Kids. We look forward to the excitement and good news ahead and sharing the progress of the project!

Thank you!!

From the Superintendent's Desk:

Wow! What a week we had last week!! The Proposition Kids passage alone is an amazing week! I know a thank you message is just above this, but we cannot say thank you enough for the support our district received. Grateful just does not cover the excitement. Thank you to each vote and each person who helped make Prop Kids a success!

There continues to be so much hope of what's to come and exciting events-especially as we close down another year. We missed so much of our traditions last year. This year, the district is trying to keep a balance of pandemic friendly practices while getting back to normal, as well. Here's a little of what is in store:

Virtual Spring Concert: Students will record their talents during the regular day, for the entire performance be aired on Wednesday, May 12th at time to be determined.

Virtual Talent Show: See image for more information.

Graduations: Kindergarten and 8th grade graduations will be hosted in person with limited capacities.

Play Day: May 19th will be the PTO sponsored play day. Parents will be allowed to visit the event outside. We do ask that if you have been exposed to COVID or have been exhibiting symptoms, do not attend.

Awards Day: Each classroom will host their own awards ceremony in their classroom. Pictures and/or videos will be posted to each classroom's social media/learning platform. The events are closed to visitors.

I know many of you are anxious for the end of the year fun. As we get closer to the dates, will definitely share more details of the fun!

Make it a great week Kelso C-7 Family!

Dr. Kim Burger

Kelso C-7 School
PRESENTS A VIRTUAL
TALENT SHOW!
IT'S YOUR TIME TO SHINE!

- Video yourself doing your talent
- Videos must be no longer than 4 minutes!
- Email your video to: mgantz@kelsoc-7.k12.mo.us
- Last day to accept videos: April 30, 2021
- All classes will watch: May 11, 2021
- Students will vote on their favorite after watching the videos in class.
- The top 3 students with the most votes will win a ribbon and a prize!
- Videos must be school appropriate!
